**What is Payroll giving?** Payroll giving is a unique way for people to give to charity. Donations come straight from gross pay before tax. Using this method employees can effectively increase the value of their contributions.

Donors pledge to Charity	Actual cost to you (at 22% tax)	Actual cost to you (at 40% tax)
£5.00	£3.90	£3.00
£10.00	£7.80	£6.00
£20.00	£15.60	£12.00
£50.00	£39.00	£30.00

**What will your donation be used for?** Your donation will be used to fund **Al Madad** projects supporting children and women in need in Africa and the Middle East. Information about all our current and future projects can be found on our web site, or by contacting us directly.

**How can you find out if your employer offers Payroll giving?** Ask your payroll department and if they don't please use the form to tell us. We will arrange for your company to be registered on to the scheme.

**Why should you give to Al Madad?** The **Al Madad Foundation** is committed to increasing intercultural awareness and to aid in the alleviation of poverty and exclusion. We raise funds through artistic expression, multi media, educational projects and events. To do this we often form strategic partnerships with other organisations, principally UNICEF but also other NGOs and business.
